In Two Days The Buyers' Sales Contest Will End Friday and Saturday Will Bring You the Bargains of a Lifetime

It must be noted that every department in the store is represented in its contest, and that the unadvertised buyers are counteracting the lack of newspaper notice by giving almost unbelievable bargains. Taking Mr. Siegel at his word, they are all cutting prices unmercifully, without the slightest thought of at or value—to win the Buyers' Trophy is the sole aim and determination of each one, and a big volume of business, not profits, is what will win.

Friday and Saturday, the last two days of this History Making Sale, will witness the most daring price reductions that worthy merchandise was ever subjected to, seeming almost reckless in the total disregard of values. Sale prices have been hovering around half regular all week—now, in the final effort, many buyers are cutting them faster than that. Be here today.

Little Floretta Whaley Forced to Flee with Pastor From Latest Hiding Place

Why I Lost My Job.

Reasons Why Teachers Like Me
Cannot Satisfy Their Employers.

"I believe my fate is not unlike that of thousands of other workers who daily lose their places for reasons they do not know, and probably would not believe. When their last pay envelope comes along, it is usually 'Your services no longer required.' If the truth were known, the reason for their unceremonious removal would probably be that their usefulness was destroyed because of some mental worry, bodily ailment or general indisposition. These things, as we all know, are the most fruitful causes of failure in all walks of life. The battle of Waterloo was lost because of a headache. In this quick age our minds must be clear, rapid, active and free from outside influence or worry, or else we go down to failure with the throng of 'battered' men from one place of employment to another, giving no satisfaction to either or to themselves, constantly growing older and less useful, with no aim, no will power and no hope. Every man requires from every man the best that is in him, no man can use or get the best of it in himself until he is first free of all fretful indispositions and worries.

That was my trouble. I was full of troubles. That's why I lost my job. My stomach, in the first place, was always out of order, and I was worrying about it, and my mind grew cloudy and slow. I made mistakes, and was grouchy. That was the end.

There are thousands like me, going about with 'quick lumps,' faces, dyspeptic manners, and repulsive appearances. No employer wants such men's services.

Take my advice. A healthy stomach is half the battle for it keeps your mind clear and your face rosy. I have a healthy stomach now and hold a good position, and my employer is satisfied, and so am I.

I started to take Stuart's Dyspepsia Tablets, which I was told were good for the worst cases of indigestion and dyspepsia. The first two tablets made a wonderful difference in my condition.

One ingredient of Stuart's dyspepsia Tablets digests 2,000 grains of food. The stomach doesn't have to work at all. The Tablets do all the work for me.

Stuart's Dyspepsia Tablets cure, brash, eructations, burning sensations, flat, irritations, loss of appetite, nausea, heartburn, constipation, loss of memory and dyspepsia and indigestion in the worst form.

HEIRESS TOLD RECTOR OF HER LOVE IN VERSE

Floretta Whaley's Appeal to
Cooke to Take Her to the
"Island of Dreams"

LEFT LETTERS IN FLAT

SAN FRANCISCO, Jan. 2. Floretta Whaley's son, who was apparently written in verse to the girl. Fragments of the poem were found in the flat and the boy's name was found in the letter.

The following poem follows:
In love, my love, what need we mind
Oh, take me to some distant shore.
The island of my dream.

Where I could live and love alone
And watch the life of others pass
In these eyes alone.

There were many more verses in a similar strain found among the effects of the heiress. The letter from Cooke to Floretta also was found. Among them was a poem written in 1904 when the girl was only fourteen.

Dear Floretta, I am a free man, and I am free to love you. I am free to love you, and I am free to love you. I am free to love you, and I am free to love you.

Love George N. Y.

Another letter, also written evidently when she was a child, was also found. It was a letter from Cooke to Floretta, and it was a letter from Cooke to Floretta.

I am going to bring a girl to live in front of the house. I am going to bring a girl to live in front of the house. I am going to bring a girl to live in front of the house.

WANTS JAIL PENALTY

NEW YORK, Jan. 2.—I think the woman who leaves her child out in the cold is a woman of the type of the woman who leaves her child in the cold. Judge Charles C. LABOR NEWS

At its next meeting Boston Typographical Union, No. 13, will take up the matter of establishing a local sick and death fund.

The fund will be entirely independent of the one of the International Typographical Union, which provides a \$1 weekly benefit and a \$25 death benefit under certain conditions.

The establishment of his local fund has been given much consideration for some time past, and a committee has been appointed to draft an amendment to the constitution of the union, making the proposed changes so as to allow for a benefit fund.

The committee has now prepared a resolution under the title of a local benefit fund, which it will present to the next meeting.

The resolution provides that one per cent of the earnings of the members be set aside for the fund, to be used in the event of sickness or death.

The fund will be managed by a committee of three members, one of whom will be elected by the members.

The fund will be used to pay for the medical expenses of members who are sick, and for the funeral expenses of members who die.

The most gentle of Nature's laxatives put into candy form. That's **Cascarets**. Made to be taken in dainty doses, when you don't feel at your best.

A cure for the blues—for the grouch—for bad temper—Cascarets.

For the cause of most of these troubles lies in the bowels. A Cascaret tonight means a cheery day tomorrow. Six bright days for ten cents. Are they worth it?

Don't think of Cascarets as a physic. They are candy tablets, as good as they are gentle.

Their effect is the same as the effect of some foods. They stimulate the bowels to natural action.

Those who have learned what is best carry a box in the pocket. They take one as soon as they need it.

Don't have a bowel wash-day. Don't take physics in large doses and rarely.

You wash your face at the first sign of uncleanliness. Why not be as clean with your bowels?

You know by the symptoms when your bowels need help. One Cascaret right then puts a stop to them.

You can just as well avoid these little ills—just as well keep at your best.

Cascarets are candy tablets. They are sold by druggists, but never in bulk. Be sure you get the genuine, with CCC on every label. The price is 50c and 10c.
